4.3 DS-1 Service – General (Cont'd.)

4.3.4 Application of Rates

The following rate elements apply to DS-1 service:

A Service Charges

Service charges apply as appropriate, in addition to the nonrecurring charges for service.

B. Interoffice Channels

For basic service interoffice channels when the interoffice channel is installed without an associated local distribution channel, the nonrecurring charge applies, per interoffice channel.

C. Optional Features

1. CO multiplexing DS-1 to voice

CO multiplexing DS-1 to voice rates and charges for voice grade connections from the CO multiplexer for Private Line Types 2001A and 2001B include signaling arrangements.

2. CO multiplexing DS-1 to digital

CO multiplexing DS-1 to digital rates and charges apply for digital private line connections from the CO multiplexer to a Customer's premises.

Cancelled by 1 Rev. Leaf No. 245 Effective 11/14/2018
