Re: Case No. 12-E-0339: Village of Angelica - Modification of Tariff Schedule PSC No. 1

Dear Secretary Brilling:

Attached for filing with the Commission is Supplement No. 1 to the Schedule for Electric Service P.S.C. No. 1 ELECTRICITY issued by the village of Angelica to become effective on August 24, 2012. The purpose of this filing is to postpone until December 1, 2012 the effective date of Revised Leaves 4, 6, 8 and 10 filed on July 24, 2012. The postponement is requested to allow for the comment period required by the State Administrative Procedure Act and to accommodate the Commission's session schedule.

As the filing only changes the effective date of the tariffs leaves, permission is also requested for a waiver from the Commission's regulations governing notice, so that the Supplement may become effective on less than statutory notice on August 24, 2012.

Respectfully submitted,
