ESCROW ACCOUNT  
STATEMENT No. 1

The company is authorized to establish an escrow account with a maximum balance of \$10,000 including accrued interest to cover the cost of extraordinary repairs, emergency maintenance and major improvements. This account will be subject to the following conditions:

1. The account will be initially funded commencing with the billing of January 1, 2004 and for three quarters thereafter at \$25.25 per quarter.
2. This account will be established in a bank, in a separate account, and will be under the control of the company.

Whenever the company replenishes the account, it will also collect any associated revenue taxes.

6. Customers terminating service will not be entitled to a refund of payments made to the escrow account.
7. The company must submit copies of all bank statements and a complete accounting of the revenues and expenses for the account by January 30<sup>th</sup> of each year. All information should be sent to the Water Rates Section. In addition, the company may be required to submit, at Staff's request, prioritized plans for repairs and use of funds as well as additional account information.
