## RESIDENTIAL TELECOMMUNICATIONS SERVICES

### PROMOTIONAL OFFERINGS

Excel may from time to time engage in special promotional service offerings which may be limited by specific attributes, including but not limited to certain dates, times and/or locations. These promotions are often designed to attract new customers and/or increase customer awareness of particular service offerings. Customers must subscribe to specific promotions within the given time period as stated in the promotional offer. Any account or telephone number that is disconnected from and then reconnected to Excel's service for purposes of subscribing to the special promotion may not be eligible. The promotions may contain special terms and conditions, including but not limited to, usage rates and charges. Such special terms and conditions will be in lieu of those terms, conditions, rates and charges outlined in Sections 4 and 6 of this Tariff.
