(M)

¹ Effective December 30, 2015, this service is no longer available to new customers or for contract renewals. (N)

² Effective June 1, 2016, existing customers with this service may retain their existing service, but may not conduct moves, adds or changes to the service on or after June 1, 2016. Existing customers with services provided under an unexpired contract will continue to receive the service pursuant to the terms and conditions of their contract until their current contract term expires. Upon expiration of such customer's contract, AT&T will provide the service on a month-to-month basis, subject to the limitations on moves, adds, and changes described above. (N)

³ The Installation Charge is waived for existing Customers who add lines and/or trunks prior to June 1, 2016. Customers must maintain service for a minimum of 12 consecutive billing months from the installation date and select the Company as the primary carrier for Local and IntraLATA toll calling, or they will be billed a termination charge equal to the waived installation charge(s). (M)

¹ Effective December 30, 2015, this service is no longer available to new customers or for contract renewals. This applies to Integrated Prime Services not already restricted in Footnote 1, preceding. (N)

² Effective June 1, 2016, existing customers with this service may retain their existing service, but may not conduct moves, adds or changes to the service on or after June 1, 2016. Existing customers with services provided under an unexpired contract will continue to receive the service pursuant to the terms and conditions of their contract until their current contract term expires. Upon expiration of such customer's contract, AT&T will provide the service on a month-to-month basis, subject to the limitations on moves, adds, and changes described above. (N)

³ All PRI arrangements must have at least one 23B + D PRI arrangement for signaling and control functions. (T)

⁴ Also requires an AT&T ACCU-Ring facility and multiplexing (T)

⁵ The Installation Charge is waived for existing Customers who add lines and/or trunks prior to June 1, 2016. Customers must maintain service for a minimum of 12 consecutive billing months from the installation date and select the Company as the primary carrier for Local and IntraLATA toll calling, or they will be billed a termination charge equal to the waived installation charge(s). 27. FOREIGN EXCHANGE SERVICE

27.1 Foreign Exchange Service Rates

Rates for Foreign Exchange Service are determined by distance between the two local exchange carrier end offices serving the geographic areas in which the endpoints of the channel are located.

Per voice grade-equivalent circuits:

FOREIGN EXCHANGE SERVICE RATE SCHEDULE	<u>Nonrecurring</u>	<u>Monthly Recurring</u>	
		Fixed	Per 1/4 Mile
0 Miles	\$400	N/A	N/A
> 0 to 12 Miles	\$400	\$40.00	\$3.50
> 12 to 25 Miles	\$500	\$40.00	\$14.00
> 25 Miles	\$600	\$40.00	\$14.00
