4.22 Pre-Paid Call Service

Denomination	Per Minute Rate	Per Call Surcharge	Units Per Minute
Various Increments	\$0.2000	\$0.2000	1 unit per Minute

Company agrees to refund any amounts remaining on a Pre-paid Call Service calling card upon physical return of the card. Refund will only be issued upon a showing that the service provided by Company has failed to meet either the service requirements set forth in the Commission's rules and regulations, or the general standards of quality applicable to the industry. To qualify for a refund, a user must return the card to Company within 3 months of the original purchase and submit in writing detailed information on the basis for any requested refund. Company will promptly investigate and advise the user as to its findings and disposition.

All federal, state and local taxes (e.g., excise tax, gross receipts tax, sales tax, municipal utilities taxes) are included in the tariffed rates above.

A wholesale discount applies for larger volume commitments, but the end user per minute rate will not vary from the rate specified in the table above.

5.13 Bottom Line*

The Company will offer the following intrastate promotion to business Customers who sign-up for the Company's complimentary interstate promotion through February 28, 1996. To be eligible, Customers must: 1) contact the Company to request the promotion, or 2) respond positively to marketing material from the Company or an authorized agent. The Customer must designate the Company as its primary interexchange carrier and sign a minimum one-year term plan agreement. As long as the Customer remains presubscribed to the Company's network, the following intrastate rates will apply to both outbound and inbound calls:

Minimum Term Plan		Switched Access	Dedicated Access
One Year	(370)	\$0.1390	\$0.0890
Two Year	(371)	\$0.1350	\$0.0850
Three Year	(372)	\$0.1300	\$0.0790

The minimum usage commitment for switched access Customers is \$100 per month. Switched access Customers with monthly usage below \$100 will be billed the minimum commitment. The minimum usage commitment for dedicated access Customers is \$1,500 per month. Dedicated access Customers with monthly usage below \$1,500 will be billed the minimum commitment. All calls are billed in six (6) second increments following a minimum billing duration of thirty (30) seconds.

* - Grandfathered to existing Customers at existing locations.

PROMOTIONS (CONT'D.)

A3. Customer Retention Promotion

The Customer Retention Promotion is available from November 6, 2004 through February 6, 2005 to any existing customer subscribing to a facilities-based long distance service, or data services (including Internet and DSL) whose term plan is expiring or expired, and has a minimum monthly revenue volume of \$500.00, provided the discount does not fall below the company's cost of providing that service to the customer. Promotional discounts do not apply to conferencing services, surcharges or taxes. Customers will be required to sign a minimum one-year contract. Eligibility for the level of discount received is based on monthly revenue volume associated with the individual customer.
