

SUBSTANCE OF PROPOSED AGENCY ACTION

Central Hudson Gas & Electric Corporation proposes to update its electric tariff to reflect a new annual pole attachment rate applicable to Cable System Operators, Telecommunication Carriers and Wireless Communication Carriers. The proposed annual pole attachment rate is \$25.34 per equivalent pole based on 2021 data, \$3.40 more than the current annual rate of \$21.94 per equivalent pole. If accepted by the Commission the new annual pole attachment rate would become effective July 1, 2022.
