1. **Shared Meters**

When a tenant’s electric service meter also registers electric use other than the tenant’s dwelling, the tenant is not required to pay the charges for that electric use, in accordance with 16 NYCRR §§ 11.30 through 11.32, and Section 52 of the Public Service Law. The Company shall establish an account in the owner’s name for all electric use registered on the shared meter after that date and shall rebill for past electric use in accordance with Section 52 of the Public Service Law.

2. **Meter Reading and Rendering of Bills**

A. **Meter Reading**

Meters shall be read and bills for service shall be rendered monthly by the Company based upon its meter reading and billing schedule, except as otherwise provided in this Tariff. The Company reserves the right to read meters in all or any part of its service area on bimonthly or quarterly schedules, and to render standard bills for the recorded use of service based upon the time interval between meter readings. In addition, the Company may elect, in its sole discretion, to read meters in all or any part of its service area less frequently than on a quarterly schedule and to render standard bills for the recorded use of service based upon the time interval between meter readings for (i) General Service Customers with constant use patterns such as, but not limited to, billboards, traffic signals, and pumps, and (ii) Seasonal Customers such as, but not limited to, camps and cottages.

Residential and small business Customers are entitled to receive, at no charge and at least once per year, historical billing data from whomever reads the meter for billing purposes.

Upon written request from a prospective tenant or lessee, the Company will provide, at no cost, the total electricity charges incurred at the prospective residential rental premises for the life of the premises, or the preceding two-year period, whichever is shorter. Prior to the commencement of the tenancy or execution of a lease, the Company will provide such information to the landlord or lessor and to the prospective tenant, or other authorized person, within ten days of receipt of the written request.
