A. SERVING WIRE CENTER INFORMATION

1. General

- a. This section sets forth limitations on the availability of certain services that supplement the limitations set forth elsewhere in this P.S.C. No. 15--COMMUNICATIONS
- b. Notwithstanding provisions in any other section of this Tariff in multiple dwelling units where Verizon upgrades the network from copper to fiber facilities, all Affected Services will be withdrawn and thus will no longer be available to existing or new customers. Reasonable advance notification of the withdrawal will be provided to customers in such buildings who currently subscribe to such services.
- c. Notwithstanding provisions in any other section of this Tariff, the limitations shown in the following table will apply, in the serving wire centers indicated in the Table. A footnote in the Table indicates the specific services to which the footnoted limitation applies. The limitations in the Table apply only in locations where services are not withdrawn pursuant to subparagraph 1.b., preceding.
