SECTION 3 - GRANDFATHERED BUSINESS SERVICE OFFERING

3.1 LOCAL EXCHANGE SERVICE

The Company's Local Telephone Service provides a customer with the ability to connect to the Company's switching network which enables the customer to:

- place or receive calls to any calling Station in the Local calling area, as defined herein;
- access 911 Emergency Service;
- access the interexchange carrier selected by the customer for interLATA, intraLATA, interstate or international calling;
- access Operator Services
- access Directory Assistance for the local calling area;
- place or receive calls to 800 telephone numbers;
- access Telecommunication Relay Service

The Company's service cannot be used to originate calls to other telephone companies' caller-paid information services (e.g., 900, 976). Calls to those numbers and other numbers used for caller-paid information services will be blocked by the Company's switch. If the customer chooses to have their line unblocked, the customer will be responsible for all charges associated with caller-paid information services.

3.1 LOCAL EXCHANGE SERVICE (Cont'd)

3.1.4 TIMING OF LOCAL EXCHANGE CALLS

All local calls will be rated in initial sixty (60) second increments with additional sixty (60) second increments.

For station to station calls, call timing begins when a connection is established between the calling telephone and the called telephone station.

For person to person calls, call timing begins when connection is established between the calling person and the particular person, station or mobile unit specified or an agreed alternate.

Call timing ends when the calling station "hands up", thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released either by automatic timing equipment in the telephone network or by the Company operator.

A. Time Periods Defined

Day: 8:00 a.m. to, but not including 5:00 p.m.
Monday through Friday

Non-Day 5:00 p.m. to, but not including 8:00 a.m.
Monday through Friday, all day Saturday
and Sunday, and all Holidays.

Holidays include Christmas, New Year's Day, Thanksgiving, Independence Day, and Labor Day.

All times refer to local time.

3.2 DIRECTORY ASSISTANCE

A customer may obtain Directory Assistance in determining telephone numbers within its local calling area by calling the Directory Assistance operator.

Each call to Directory Assistance will be charged as follows:

	MINIMUM	MAXIMUM
• Per Call	\$0.1125	\$0.9000

The customer may request a maximum of two telephone numbers per call to Directory Assistance service.

A customer who has accessed the Directory Assistance operator will have the option of having their call completed either by an operator or by depressing a specific digit on a touch-tone telephone. The charge per call completion is as follows:

	MINIMUM	MAXIMUM
• Per Call Completion	\$0.0875	\$0.7000

A credit will be given for calls to Directory Assistance as follows:

- The customer experiences poor transmission or is cut-off during the call; or
- The customer is given an incorrect telephone number.

To obtain such a credit, the customer must notify its Customer Service representative within 24 hours of occurrence.

3.3 OPERATOR ASSISTANCE

A customer may obtain the assistance of a local operator to complete local exchange telephone calls in the following manner. Rates applicable to the following services are set forth in the attached Addendum.

Third Number Billing: Provides the customer with the capability to charge a local call to a third number which is different from the called or calling party. The party answering at the third number has the option to refuse acceptance of the charges in advance or when queried by the operator.

Collect Calls: Provides the customer with the capability to charge a call to the called party. On the operator announcement of a collect call, the called party has the option to refuse acceptance of charges in advance or when queried by the operator.

Calling Cards: Provides the customer with the capability to place a call using a calling card of an Interexchange Carrier with or without the assistance of an operator.

Person to Person: Calls completed with the assistance of any operator to a particular Station and person specified by the Caller. The call may be billed to the called party.

Station to Station: Calls complete with assistance of an operator to a particular Station. The call may be billed to the called party.

General Assistance: The customer has the option to request general information from the operator, such as dialing instructions, country or city codes, area code information and Customer Service 800 Telephone numbers, but does not request the operator to complete a call.

3.4 DIRECTORY LISTINGS

The Company shall provide for a single directory listing, termed the primary listing, in the telephone directory published by the dominant local exchange service provided in the customer's exchange area of the Station number which is designated as the customer's main billing number. Directory listings of additional Company Station numbers, other than the customer's main billing number, associated with a customer's service will be provided for a monthly recurring charge per listing.

The Company reserves the right to limit the length of any listing in the directory by the use of abbreviations when, in its judgment, the clearness of the listing or the identification of the customer is not impaired thereby. Where more than one line is required to properly list the customer, no additional charge is made.

The Company may refuse a listing which is known to constitute a legally authorized or adopted name, obscenities in the name, or any listing which, in the opinion of the Company, is likely to mislead or deceive calling persons as to the identity of the listed party, or is contrived name used for advertising purposes or to secure a preferential position in the directory or is more elaborate than is reasonable necessary to identify the listed party. The Company, upon notification to the customer, will withdraw any listing which is found to be in violation of its rules with respect thereto.

Each listing must be designated Government or Business to be placed in the appropriate section of the directory. In order to aid the user of the directory, and to avoid misleading or deceiving the calling party as to the identity of the listed party, only business listings may be placed in the Business Section and only residential listings in the Residential Section. The Company, upon notification to the customer, will withdraw any listing which is found to be in violation of its rules and respect thereto.

3.5 EMERGENCY SERVICES

Both Basic and Enhanced 911 (E911) allow customers to reach appropriate emergency services including police, fire and medical services. Subject to availability, Enhanced 911 has the ability to selectively route an emergency call to the primary E911 provider so that it reaches the correct emergency service located closest to the caller. In addition, the customer's address and telephone information will be provided to the primary E911 provider for display at the Public Service Answering Point (PSAP).

Charges:

Basic/Enhanced Pass through of Municipality charge

3.6 PRESUBSCRIPTIONS-2 (PIC-2)

PIC-2 allows customers to presubscribe to their carrier of choice for intraLATA calls, without dialing the Access Code. The rates specified in the attached Addendum will apply each time the customer requests a change to their intraLATA PIC, subsequent to the initial designation.

InterLATA Presubscription is available pursuant to the Company's Rates and Services Schedule Interstate No. 3.

Charges:

	MINIMUM	MAXIMUM
