2.1 General

2.1.0 General Restrictions on Availability	
A.	This paragraph 2.1.0 implements the action taken by the FCC in WC Docket 18-141, Petition of USTelecom for Forbearance Pursuant to 47 U.S.C. § 160(c) to Accelerate Investment in Broadband and Next-Generation Networks, Memorandum Opinion and Order (rel. August 2, 2019), with respect to services offered for resale at an avoided-cost discount.
B.	Notwithstanding any other provisions of this Tariff PSC No. 9, and subject to the transitional provisions set forth in paragraphs (C) and (D), below, services purchased for resale are no longer available under this Tariff.
C.	New purchases of services for resale may be made pursuant to this Tariff through February 2, 2020. After such date, additional purchases of services for resale may be made pursuant to this Tariff except for Section 10.6.1 thereof, relating to resale discounts. Instead, all such purchases shall be priced at the applicable retail rates, without discount.
D.	Any resold services purchased through February 2, 2020 will continue to be maintained through August 2, 2022 at the rates set forth in this Tariff, unless the reseller discontinues such services or the service is terminated by Verizon for any reason authorized by this Tariff or by general regulations applicable to this Tariff (such as non-payment). (Authorized grounds for termination of a service purchased for resale under this Tariff include but are not limited to the fact that the underlying retail service is no longer offered by the company.) After such date, any such service that has not previously been discontinued by the customer or terminated by Verizon will continue to be provided by Verizon pursuant to this Tariff except for Section 10.6.1 thereof, relating to resale discounts. Instead, such service will be provided at the applicable retail rate, without discount.
E.	Nothing in this paragraph 2.1.0 is intended to expand the availability of services offered for resale, or of the pricing set forth in Section 10.6.1, or to make either available if they would not be available but for this paragraph.

2.1.1 Tariff Structure	
A.	The tariff is divided into sections which are structured numerically, (e.g., Section 1, 2, 3 etc.).

<b>2.1.2 Page Revisions</b>	
<b>A.</b>	Tariff pages are revised and filed with the PSC on a continual basis. When tariff pages are filed, they show an issued and effective date (see page bottom). The issued date is the day upon which the pages were issued by the Telephone Company. The effective date is generally the date the PSC approves the tariff or allows it to go into effect.
<b>B.</b>	Each tariff page displays unique page identification information (see page top right). The first issuance of a page is labeled as the original. Future revisions are issued sequentially (i.e., first revision, second revision, third revision, etc.). The effective version of the tariff is used as the foundation for composing a filing providing there is not filing activity already pending that involves the same page(s). If there is a filing already pending, then the already pending filing page version is used as the foundation for the next filing.
<b>1.</b>	It is possible for the same tariff page to be pending in two or more separate filings (simultaneously). If the PSC reprioritizes the pending filings so that "first pending" is not the first approved, be aware that a pending page with a lower revision number cannot overwrite a pending page with a higher revision number. The pending page with the highest revision number takes precedence. The lower revision number goes to superseded.
<b>2.1.3 Tariff Codes</b>	
<b>A.</b>	Appearing in the right margins of tariff pages are upper case alphabetical characters (or occasionally, a numeric character) enclosed in parenthesis. These characters represent a coding mechanism to explain the modification that has been made from one page revision to the next. The tariff codes are as follows.
<b>1.</b>	(C)—A change in regulation or rate
<b>2.</b>	(D)—A discontinued rate or regulation
<b>3.</b>	(M)—Moved material
<b>4.</b>	(N)—A new rate or regulation
<b>5.</b>	(T)—A change in text, but no change in rate or regulation
<b>6.</b>	(1)—Reissued matter

<b>2.2.2 Trademarks and Service Marks</b>		
<b>A.</b>	Many of the designations used by the Telephone Company to distinguish its products and services are claimed as trademarks or service marks. Rather than printing a trademark symbol with every occurrence of a trademarked or service marked product name as it is used throughout this tariff, let it be stated that when using the names of the Telephone Company products and services herein, such use is in an editorial fashion. Following are the proper use names of the Telephone Company trademarks and service marks that are referred to herein in terms of product and service offerings.	
<b>B. Registered Service Marks</b>		
1.	There are no such designations contained in this tariff.	
<b>C. Registered Trademark/Service Marks</b>		
1.	There are no such designations contained in this tariff.	
<b>2.2.3 Services Transferred to the Product Guide</b>		7
<b>A.</b>	Pursuant to the provisions of § 92-g of the New York Public Service Law, Verizon New York Inc. ("Verizon" or the "Company") will be transferring certain services listed in its retail tariffs to the Company's online Product Guide (the "Guide"), along with relevant general regulations relating to those services. From time to time, new products or services may be added to the Guide, existing products or services may be removed, and the terms and conditions of any offering, including price, may change. The Guide is available at <a href="http://www.verizon.com/tariffs/Sections.aspx?docnum=NYVICA0&amp;type=T&amp;sch=Y&amp;se=Y&amp;att=N&amp;typename=IT&amp;tims_Status=E&amp;entity=VI">http://www.verizon.com/tariffs/Sections.aspx?docnum=NYVICA0&amp;type=T&amp;sch=Y&amp;se=Y&amp;att=N&amp;typename=IT&amp;tims_Status=E&amp;entity=VI</a>	(N)
1.		
2.	Unless otherwise provided by contract between the customer and the Company, by purchasing a service for resale after it is included in the Guide, or by continuing to purchase or utilize for resale a service originally included in this Tariff after the service is transferred to the Guide, a reseller agrees to the applicable terms and conditions, including price, set forth in the Guide, as modified by this Tariff, as those terms and conditions may change from time to time. Terms and conditions, including price, set forth in the retail tariffs will no longer apply to products after their transfer to the Guide.	J
