5.1.2 Feature Descriptions and Rates (continued)

	<u>Minimum</u>	<u>Maximum</u>
CALLER ID	\$3.00	\$6.00

This Central Office feature provides for the display of the incoming telephone number on a customer provided display device attached to the customer's telephone or answering machine with a built-in display screen. The Caller ID feature will forward the calling number from the appropriately equipped terminating central office to the customer provided display device. The Company will forward all telephone numbers subject to technical limitations.

CALLER ID WITH NAME	\$5.00	\$10.00
----------------------------	--------	---------

This Central Office feature is only offered to customers being served by appropriately equipped central offices and subscribing to caller ID. This feature provides for the display of the listed name associated with the telephone number from which the call is being made. The name will be delivered to a customer provided display device. The company will forward all calling names subject to technical limitations.

SPECIAL DELIVERY SERVICE	\$1.00	\$2.00
---------------------------------	--------	--------

When a busy or don't answer condition exists on an outgoing call, this feature automatically forwards the calling party to a pre-determined telephone number.

5.2 SERVICE AND PROMOTIONAL TRIALS

5.2.1 General

The Company may establish temporary promotional programs wherein it may waive or reduce nonrecurring or recurring charges, to introduce a present or potential customer to a service not previously subscribed to by the customer.

5.2.2 Regulations

- A. Appropriate notification of the Trial will be made to all eligible customers and to the Commission. Appropriate notification may include direct mail, bill inserts, broadcast or print media, direct contact or other comparable means of notification.
- B. During a Service Trial, the service(s) is provided automatically to all eligible customers, except those customers who choose not to participate. Customers will be offered the opportunity to decline the trial service both in advance and during the trial. A customer can request that the designated service be removed at any time during the trial and not be billed a recurring charge for the period that the feature was in place. At the end of the trial, customers that do not contact the Company to indicate they wish to retain the service will be disconnected from the service at no charge.
- C. During a Promotional Trial, the service is provided to all eligible customers who ask to participate. Customers will be notified in advance of the opportunity to receive the service in the trial for free. A customer can request that the service be removed at any time during the trial and not be billed a recurring charge for the period that the service was in place. At the end of the trial, customers that do not contact the Company will be disconnected from the service.
- D. Customers can subscribe to any service listed as part of a Promotional Trial and not be billed the normal Connection Charge. The offering of this trial period option is limited in that a service may be tried only once per customer, per premises.
- E. The Company retains the right to limit the size and scope of a Promotional Trial.
