SECTION 3 - CASUAL CALLING SERVICES

3.1 GENERAL

Casual Calling Services permit callers to access the Company's switched network for completion of their instate long distance Dial Station calls by dialing carrier access code 1010288. The rates, terms and conditions specified in this section apply to instate long distance Dial Station calls billed under the following Non-Subscriber 1010288 Service or any other Company-assigned carrier access codes. (C)

3.1.1 Non-Subscriber 1010288 Service

Non-Subscriber 1010288 Service provides for instate long distance Dial Station calls placed via carrier access code 1010288 and billed to the Customer's main billed domestic telephone account that is not presubscribed to the Company as the primary long distance carrier.

Non-Subscriber 1010288 Service is provided as specified in this section of the tariff.

SECTION 3 - CASUAL CALLING SERVICES

3.2 NON-SUBSCRIBER 1010288 SERVICE

3.2.1 General

Non-Subscriber 1010288 Service is available for instate long distance calls placed from points within the State of New York and billed to the Customer's residential telephone account that is not presubscribed to the Company as the primary interexchange carrier. Access to Non-Subscriber 1010288 Service for Dial Station calls must be made by dialing the carrier access code 1010288. The Customer is responsible for any 1010288 charges billed to the Customer's account regardless of how the carrier access code is dialed.

3.2.2 Calls Not Subject to Non-Subscriber 1010288 Charges

Non-Subscriber 1010288 Service does not apply to the following type of calls: conference calls, calls to Company Directory Assistance, calls to 800 and 900 telephone numbers, Telecommunications Relay Service calls, calls placed from cellular phones, calls made by certified Customers with Disabilities, calls billed to a residential telephone account for which presubscription to the Company has been discontinued, but an active billing record for such account still exists in the Company's billing system.

Calls billed to a residential telephone account for which presubscription to the Company has been discontinued, but an active billing record for such account still exists in the Company's billing system will be rated at Dial Station rates as described in the Price List section of this Tariff

3.2.3 Credits

The Company will credit the charges for Non-Subscriber 1010288 Service reported by newly presubscribed Customers of the Company during the period between presubscription and administrative processing of the new Customer. The Company will also credit the charges for Non-Subscriber 1010288 Service reported by Customers during a reportable incident of service outage by another carrier. To receive either of these credits, Customers must contact the Company through an 800 number designated for billing inquiries. Applicable Dial Station charges will apply for all completed calls for which a credit is received. The credit will be given either in the form of a bill credit or a Long Distance Certificate, at the Company's discretion.

3.2.4 Availability

The application of charges for Non-Subscriber 1010288 Service is subject to billing availability.
