1.4.2 Jurisdiction

Jurisdiction refers to the classification of a Business Service call as intrastate or interstate. Jurisdiction is a matter of law, not of Company discretion or policy, or Customer preference. The Law describing what constitutes interstate jurisdiction is the Communications Act of 1934, as amended. Some portions of this service are only subject to the jurisdiction of the Federal Communications Commission. This tariff covers the portion of Business Services that is subject to the New York State Public Service Commission's Jurisdiction.
