1. Pursuant to the provisions of § 92-g of the New York Public Service Law, Verizon New York Inc. ("Verizon" or "the Company") will be transferring certain services listed in this Tariff and in other Verizon Tariffs to the Company's online Product Guide (the "Guide"), along with relevant general regulations relating to those services. The fact that a particular service has not been transferred from a Verizon tariff to the Guide does not necessarily mean that it is not eligible for such a transfer or that it will not be transferred at some point in the future. From time to time, new products or services may be added to the Guide, existing products or services may be removed, and the terms and conditions of any offering, including price, may change. When it becomes effective, the Guide will be available at [http://www.verizon.com/tariffs/Sections.aspx?docnum=NYVICA0&type=T&sch=Y&se=Y&att=N&type=name=IT&tims\\_Status=E&entity=VI](http://www.verizon.com/tariffs/Sections.aspx?docnum=NYVICA0&type=T&sch=Y&se=Y&att=N&type=name=IT&tims_Status=E&entity=VI). (N)
2. Unless otherwise provided by contract between the customer and the Company, by purchasing a service after it is included in the Guide, or by continuing to purchase or utilize a service originally included in this Tariff or in any other Verizon Tariff, after the service is transferred to the Guide, a purchaser agrees to the applicable terms and conditions, including price, set forth in the Guide, as those terms and conditions may change from time to time. Terms and conditions, including price, set forth in Verizon's Tariffs will no longer apply to products after their transfer to the Guide.
3. Any carriers that concurred in this Tariff, in whole or in part, prior to the initial date on which services were transferred to the Guide will be deemed to have concurred in the corresponding provisions in the Guide, subject to any subsequent withdrawal or modification by such carriers of their concurrences.
