Section 7 - BUSINESS NETWORK SWITCHED SERVICES

7.1 GENERAL

Business Liberty Plan and Business Empire Plan Service is a local exchange service for business customers consisting of a local exchange line for a monthly recurring charge and measured usage rate. Calling features are available with the local exchange service for an additional monthly recurring charge per feature.

- a) receive calls from other stations on the public switched telephone network;
- b) access the Company's local calling service;
- c) access the Company's operators and business office for service related assistance; access toll-free telecommunications service such as 800 NPA; and access 911 service for emergency calling; and
- d) access the service of providers of interexchange service. A customer may presubscribe to such provider's service to originate calls on a direct dialed basis or to receive 800 service from such provider, or may access a provider on an ad hoc basis by dialing the provider's Carrier Identification Code (10XXX).

Business Network Switched Service is provided via one or more channels terminated at the customer's premises. Each Business Network Switched Service channel corresponds to one or more analog, voice-grade telephonic communications channels that can be used to place or receive one call at a time.

Connection charges as described in Section 2 apply to all service on a one-time basis unless waived pursuant to this Tariff.

7.2 SERVICE DESCRIPTIONS AND RATES

The following Business Access Service Options are offered:

Business Empire Plan
Business Liberty Plan

The Business Empire Plan and Liberty Plan delivers one or multiple switch voice grade analog lines / POTS lines to a Business Customer at a measured rate.

The Business Empire Plan is available in all areas except LATA 132. Business Liberty Plan is available only in LATA 132.

All business service plans may be connected to customer-provided terminal equipment such as station sets, key systems, PBX systems, or facsimile machines. Service may be arranged for two-way calling, inward calling only or outward calling only. Optional Voice Mail Service is available.

7.2.1 Business Empire Plan

1. General

Business Empire Plan Service provides a customer with a one or more analog, voice-grade telephonic communications channel that can be used to place or receive one call at a time. Local calling service is charged on a measured usage basis. Basic Business Lines are provided for connection of customer-provided single-line terminal equipment such as station sets or facsimile machines.

Each Basic Business Line has the following characteristics:

Terminal Interface:	2-wire
Signaling Type:	Loop start
Pulse Types:	Dual Tone Multifrequency (DTMF)
Directionality:	Two-Way, In-Only, or Out-Only, at the option of the customer
