(T)

Service Discount Plans for DS3 Entrance Facilities and DS3 Direct Trunked Transport are provided with Base Rates. The discount percentage is applied to the Base Rates specified in Section 30.6 following. Such rates are not rate stable and may change during the commitment period, causing an increase or decrease in the rates applicable to the customer. In no case will the Base Rate exceed the non-discounted monthly rate for the service.

The monthly rates or base rates for such services are reduced by a fixed percentage.

The amount of the discount percentage differs based on the length of the commitment period selected by the customer and the type of service. The customer must specify the number of months selected as the commitment period for its Service Discount Plan.

The discount percentage is applied to the currently effective monthly or base rates. Such rates may change during the commitment period thereby causing an increase or decrease in the rates applicable to the customer.

Service Commitment Periods and Discount Percentages applicable to DS1 and DS3 level services Local Transport monthly rates are set forth in tariff FCC No. 11, Section 6.7.16(B)(2)(a)(i) and (ii) respectively.
