Discounts do not apply to surcharges or per call add-on charges for operator services when the call is placed by a method that would normally incur the surcharge.

TDD: The credit to be given on a subsequent bill for such calls placed between TDDs will be equal to applying the evening rate during business day hours and night/weekend rate during the evening rate period.

TRS: The credit to be given on a subsequent bill for such calls placed by TDDs with the assistance of the relay center will be equal to 50% of the rate for the applicable rate period. If either the calling or called party indicates that either party is both hearing and visually impaired, the call shall be discounted at 25% of the applicable rate.
