MONTHLY RATE COMPONENTS (Cont'd)

3. The sum of the Fixed and Variable rate components will not exceed the applicable Service Classification No. 9 - Interruptible Transportation rate. The applicable Service Classification No. 9 rate will be determined by the Customer's alternate fuel type. The Service Classification No. 9 - Category 3 rate will be used for customers without an alternate fuel.
4. Balancing Service Charge: The Balancing Service Charge, as described in General Information Section 43, shall apply to all gas consumed by a customer under this Service Classification and shall be billed to the customer.
