## 2.4 Limitation of Liability (continued)

access, or as to any other matter, all of which warranties by Carrier are hereby excluded and disclaimed.

2.4.3 Carrier, at its own expense, will indemnify the customer and hold it harmless in respect to any and all loss, damage, liability or expense asserted against the customer by a third party on account of any property damage or personal injury caused by any negligence or willful misconduct of Carrier or its agents or representatives arising out of performance by Carrier of any testing or other activities on the customer's premises pursuant to this tariff. Carrier's obligations under the immediately preceding sentence shall be subject to the customer's full performance of this tariff and subject further to the customer's duty to take reasonable precautions in the location, construction, maintenance and operation of all activities, facilities and equipment for the protection against hazard or injury and to not interfere with the services provided by Carrier

2.4.4 Carrier shall be indemnified and held harmless by the customer against:

- A. Claims for libel, slander, infringement of copyright or patent infringement, unauthorized use of any trademark, trade name or service mark arising out of the material, data information, or other content transmitted over the carrier's facilities; and
- B. All other claims arising out of any act or omission by the customer in connection with any service provided by Carrier.

## 2.5 Interruption of Service

A credit allowance for interruptions of service which are not due to Carrier's testing or adjusting, to the negligence of the customer, or to the failure of the channels, equipment, and/or communications systems provided by the customer, are subject to the general liability provisions set forth herein. It shall be the obligation of the customer to notify Carrier of any interruption in service. Before giving such notice, the customer shall ascertain that the trouble is not being caused by any action or omission by or within the customer's control and is not in wiring or equipment connected to the Carrier terminal.

## 2.6 Restoration of Service

The use and restoration of service in emergencies shall be in accordance with the Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations which specifies the priority system for such activities.
