B. Usage Charges *continued*

A single optional Block of Time (BOT) quantity of minutes can be ordered in conjunction with *FrontierWorks Business Connections LD Bundle*, in increments of 300, 600, and 900 minutes, for an additional monthly recurring charge (MRC). The MRC for the BOT is applied at the account level, and can be found in the *FrontierWorks Business Connections LD Bundle* plan from FCA's interstate Domestic Price List. Customers who select the Premier and Versaline Plus package from the *FrontierWorks Business Connections Product Suite* must select at least a 300 minute BOT to participate in this long distance product. Any usage above the 100 free minutes and the BOT minutes will be rated at an intrastate overage rate per minute, and these rates can be found in the rate section of this tariff. Overage rates may vary depending upon which BOT is selected. Minutes of use will be allocated to the free minutes and blocks of time allotments in sequential order from lowest to highest of the ten digit line numbers on the customer's account that are subscribed to in this plan.

If a new customer to *FrontierWorks Business Connections LD Bundle* signs up mid-billing cycle, free minutes and the BOT minutes will be prorated, based upon number of days of that billing cycle. If moving between BOTs, minutes will be prorated based upon the number of days of that billing cycle and will be charged the appropriate overage rate for the BOT selected at the time the call was completed. Usage will be billed in arrears. Excluded from the BOT minutes are: (8XX) toll free inbound, long distance Directory Assistance and 900 calls
