2.5.29 EZ Plan *continued*

EZ Plan fifteen (15) and thirty (30) month term plans will automatically renew for successive periods of fifteen (15) months unless the Customer notifies the Carrier in writing before the end of their current term of their intention to terminate the agreement at the completion of the term. Customers electing to continue receiving service without renewing their current term commitment will automatically revert to the current month-to-month rate. A termination fee, equal to the Minimum Monthly Usage Commitment applicable to the term plan the EZ Plan Customer is subscribing to, will be assessed for each of the remaining months in the current month term after a EZ Plan Customer terminates service prior to the completion of the then current term service.

EZ Plan Customers subscribing to Frontier's Multipoint 8XX service will be assessed the per minute rates set forth in this tariff. All Multipoint 8XX calls will be billed in six second increments, with a eighteen second minimum for each call. Any fraction of an increment will be rounded up to the next whole increment.

As all EZ Plan calls will be billed via the local exchange carrier's monthly invoice, EZ Plan will only be available in those areas where an appropriate billing and collection agreement exists between the Carrier and the local exchange carrier.
