SUPERSEDING REVISION:

SERVICE CLASSIFICATION NO. 5

APPLICABLE TO USE OF SERVICE FOR:

Sales and delivery of electric power supply provided by the Company or delivery of electric power supply provided by an Energy Service Company under the Company's Retail Access Program for traffic signals, beacons, flashers and crossing lights owned, installed and maintained by the State of New York, counties, townships, cities and incorporated villages or private customers for which the State of New York has issued the appropriate permits.

CHARACTER OF SERVICE:

Service will be at standard secondary voltages as designated by the Company. Service shall be unmetered where the use of energy can accurately be determined. The Company shall have the right to meter any service.

LINE EXTENSIONS:

The Customer shall reimburse the Company for the total cost of any extensions to its existing distribution facilities in excess of four times the annual charges for RATES - MONTHLY, Part (1) for the facilities requiring the extension.

APPLICATION FOR SERVICE:

The Company will require written application for additional service, after the effective date of this tariff leaf, to which the customer will attach the specifications for all equipment to be serviced hereunder.

TERM:

Service may be terminated at any time upon thirty days written notice.

DETERMINATION OF BILLING QUANTITIES:

- A. Unmetered Service The Company shall estimate the monthly use of the facility serviced hereunder based on the electrical ratings of all equipment installed and the anticipated monthly burning hours. The monthly charge shall be based on this estimate as of the first day of the calendar month. The customer will notify the Company prior to making any changes to an existing installation.
- B. Metered Service The Company will install an appropriate meter to record the total energy use of the facility. Meters will be read on a monthly basis.
