Proposed Service Entrance: _____

Under certain conditions, O&R will conduct an initial inspection of the installation to ensure compliance with its specifications for electrical installations. If the installation is not in compliance with the Company's and/or other applicable rules, service shall not be rendered and the Company shall assess a re-inspection fee for any subsequent reinspections of the installation.

Indicate electric and/or gas locations on sketch above. (O&R reserves the right to determine meter/service locations. All meters shall be installed outdoors.)
