Section 2
Leaf: 4
Revision: 0
Superseding Rev.:

Effective Date: May 30, 2012

SECTION 2 - RULES AND REGULATIONS (Continued)

2.7. Responsibilities of the Customer (Cont'd)

- 2.7.4. The Customer is responsible for arranging access to its premises at times mutually acceptable to the Customer and the Company when required for the Company personnel to install, repair, maintain, program, inspect, or remove equipment associated with the provision of the Company's Service(s).
- 2.7.5. The Customer shall ensure that its terminal equipment and system is properly interfaced with the Company's facilities and Services, that the signals and voltages emitted into the Company's facilities are of the proper mode, bandwidth, power, and signal level of the intended use of the Customer and in compliance with the criteria set forth in the rules of the FCC, and that the signals do not damage equipment, injure personnel or degrade Service to other Customers.
- 2.7.6. Interconnection between the Customer's equipment and Company-provided service must be made by the Customer by leased channel or dial-up service. Where interconnection between Customer's equipment and Company-provided service is not made by lease of Company facilities, interconnection must be made by the Customer at the Company's operating offices. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.
- 2.7.7. If the protective requirements in connection with Customer-provided equipment are not being complied with, the Company may take such immediate action as necessary to protect its facilities and personnel and will promptly notify the Customer of the need for protective action. In the event that the Customer fails to advise the Company within 10 days after such notice is received that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities and personnel from harm.
- 2.7.8. The Customer is liable to the Company for replacement and repair of damage to the equipment and facilities of the Company caused by negligence and willful act of the Customer, its Authorized Users, and others, and for improper use of equipment provided by the Customer, its Authorized Users, and others.
- 2.7.9. The Customer is liable for any loss of Company equipment installed at the Customer's premises caused by: theft, fire, flooding, or any other casualty or criminal act.

2.8. Responsibilities of Authorized Users

- 2.8.1. The Authorized User is responsible for compliance with applicable regulations set forth in this tariff.
