

SECTION 4 – RATES

4.1. INTERLATA AND INTRALATA PRESUBSCRIPTION

4.1.1. InterLATA and IntraLATA presubscription is a procedure whereby a subscriber designates Company as the carrier which the subscriber wishes to be the carrier of choice for interLATA and intraLATA toll calls. Such calls are directed to the designated carrier, without the need to use carrier access codes or additional dialing. InterLATA and IntraLATA presubscription does not prevent a subscriber who has presubscribed to the same interLATA and intraLATA toll carrier from using carrier access codes or additional dialing to direct calls to an alternative interLATA and intraLATA carrier on a per call basis.

4.1.2. InterLATA and IntraLATA Presubscription Offerings:

- A. Option A: Subscriber may select Company as the presubscribed carrier for intraLATA toll calls subject to presubscription;
- B. Option B: Subscriber may select an alternate interLATA and intraLATA toll carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription;
- C. Option C: Subscriber may select a carrier other than Company for the subscriber's interLATA toll carrier as the presubscribed carrier for intraLATA toll calls subject to presubscription; or
- D. Option D: Subscriber may select no presubscribed carrier for intraLATA toll calls subject to presubscription which will require the subscriber to dial a carrier access code to route all intraLATA toll calls to the carrier of choice for each call.

4.1.3. Rules and Regulations

- A. Subscribers will retain their current dialing arrangements until they request that their dialing arrangements be changed.
- B. Subscribers may select either Options A, B, C or D, above, for intraLATA presubscription.
- C. Subscribers may change their selected Option and/or their presubscribed intraLATA toll carrier at any time.
