2.1. UNDERTAKING OF COMPANY, Continued

2.1.4. Liability of Company, Continued

- D. Service Installation and Operation - Company does not guarantee nor make any warranty with respect to Service installations at locations at which there is present an atmosphere that is explosive, prone to fire, dangerous or otherwise unsuitable for such installations. The Customer shall indemnify and hold Company harmless from any and all loss, claims, demands, suits or other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the Customer or by any other party, for any personal injury to, harm, or death of, any person or persons, or for any loss, damage or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, locations or use of Service furnished by Company at such locations. Company reserves the right to require each Customer to sign an agreement acknowledging acceptance of the provisions of this Section as a condition precedent to such installations.
- E. Notice of Temporary Disconnection - Company will, where practicable, notify the Customer that temporary discontinuance of the use of a Service may be required; however, where prior notice is not practicable, nothing contained herein shall be deemed to impair Company's right to discontinue forthwith the use of a Service temporarily if such action is reasonable under the circumstances. In case of such temporary discontinuance, the Customer will be promptly notified and afforded the opportunity to correct the condition that gave rise to temporary discontinuance.
