### **2.6. INTERRUPTIONS OF SERVICE, Continued**

#### **2.6.4. Application of Credits for Interruptions in Service**

- A. Credits for interruptions in Service that are provided and billed on a flat rate basis for a minimum period of at least one (1) month, beginning on the date that billing becomes effective, will in no event exceed an amount equivalent to the proportionate charge to the Customer for the period of Service during which the event that gave rise to the claim for a credit occurred. A credit allowance is applied on a pro rata basis against the rates specified hereunder and is dependent upon the length of the interruption. Credit will be given only for that portion of the Customer's Service affected by the interruption.
- B. For calculating allowances, every month is considered to have thirty (30) calendar days.

#### **2.6.5. Credit Allowance for Interruptions in Service**

If the interruption is for more than twenty four (24) hours, an allowance, at the rate for that portion of the Customer's Service affected by the interruption, will be made upon request for the time such interruption continues after the fact is reported by the Customer or detected by Company as follows:

- A. If the interruption is for twenty four (24) hours or less, no allowance will be made.
- B. If the interruption continues for more than twenty-four (24) hours, the allowance will be equal to one thirtieth (1/30th) of the monthly rates for the first full twenty four (24) hour period and for each succeeding twenty four (24) hour period or fraction thereof.
