2.6. INTERRUPTIONS OF SERVICE

2.6.1. General

- A. Company may temporarily interrupt Service when necessary to affect repairs or maintenance; to eliminate an imminent threat to life, health, safety or substantial property damage; or for reasons of local, State or National emergency. Company shall establish procedures to be followed by its employees to prevent or mitigate interruption or impairment and provide prompt oral or written notification to affected Customers.
- B. It is the obligation of the Customer to notify Company of any interruptions in Service. Before giving such notice, the Customer will ascertain that the trouble is not being caused by any action or omission of the Customer, is not within the Customer's control, and is not in wiring or equipment connected to the terminal of Company.
- C. A credit allowance will not be given unless otherwise specified in this Tariff. A Service is interrupted when it becomes inoperative to the Customer, *e.g.*, the Customer is unable to transmit or receive calls because of a failure of a component furnished by Company under this Tariff.
- D. If the Customer reports to Company that a Service, facility or Circuit is inoperative but declines to release it for testing and repair, or refuses access to Customer Premises for test and repair by Company or an agent of Company, the Service, facility or Circuit is considered to be impaired but not interrupted. No credit allowance will be made for a Service, facility or Circuit considered by Company to be impaired. The Customer will be responsible for the payment of Service charges as set forth herein when the Service difficulty or trouble report results from the use of equipment or facilities provided by any party other than Company, including, but not limited, to the Customer.
- E. If an Access Line is interrupted as the result of widespread disaster, and other than by the negligence or willful act of the Company, no refund shall be required unless the access line service remains interrupted for a period in excess of seven (7) days. Company will not charge or collect any further rates for such service that was affected during the interruption of service.
