

## **SECTION 2 - RULES AND REGULATIONS, Continued**

### **2.3. OBLIGATIONS OF THE CUSTOMER, Continued**

#### **2.3.12. Station Equipment**

- A. The Customer is responsible for providing and maintaining any terminal equipment on the Customer Premises. The electric power consumed by such equipment shall be provided by, and maintained at the expense of, the Customer. All such terminal equipment must be registered with the FCC under the FCC's rules and all wiring must be installed and maintained in compliance with those regulations.
- B. In case of such temporary discontinuance, the Customer will be promptly notified and afforded the opportunity to correct the condition that gave rise to the temporary discontinuance. During such period of temporary discontinuance, credit allowance for Service interruptions as set forth in Section 2.6 following is not applicable.
- C. The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and Facilities is compatible with such equipment and Facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring shall be such as not to cause damage to Company-provided equipment and wiring or injury to Company's employees or other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by Company at the Customer's expense.
