INTRASTATE SWITCHED ACCESS SERVICES TARIFF

APPLICATION OF TARIFF

This tariff contains regulations, rates and charges applicable to the provision of Carrier Common Line, Switched Access, and other miscellaneous services, hereinafter referred to collectively as service(s), provided to Customers by VT.

The operating territory of VT comprises the geographic areas for which VT is certified to operate in the state of New York. These areas are specified by identification of the exchanges established by VT for the administration of communications services. Not all services described in this tariff are available from every wire center.
