<u>GENERAL RULES AND REGULATIONS.</u>
<u>HEALTH CARE PROVIDERS SUPPORT PROGRAM</u>

1.   <u>GENERAL</u>

     The purpose of the Health Care Providers Support Program is
to enable public and non-profit rural health care providers to
have access to telecommunications services necessary for the
provision of health care services at rates comparable to those
paid for similar services in urban areas. The Health Care
Providers Support Program offers eligible public and non-profit
health care providers located in rural areas reduced rates for
company intrastate services, available in this Tariff. Such
services must be purchased in accordance with the Rules adopted
by the Federal Communications Commission (FCC) in its Universal
Service Order 97-157, issued May 8, 1997 and the New York State
Public Service Commission in its Order in Cases 94-C-0095 and
     28425, issued November 4, 1997. The FCC Rules are codified
at 47 Code of Federal Regulation (C.F.R) 54.601 et. seq., and any
amendments made thereto.

2.   <u>REGULATIONS</u>

     a.   To be eligible for the reduced rates, rural health care
providers are required to comply with the terms and conditions
set forth in the FCC Rules.

     b.   Reduced rates are available only to the extent that
they are funded by the federal universal service fund.

     c.   Eligible rural health care providers may aggregate
demand with other entities to create a consortium. Universal
service support shall apply only to the portion of eligible
services used by an eligible health care provider.

     d.   Responsibility of eligible health care providers

     1.   Rural health care providers and consortia shall
participate in a competitive bidding process for all services
eligible for reduced rates in accordance with any state and local
procurement rules.
