

TOTAL ACCESS TELECOM INC.  
PSC No. 1 - Telephone

Section 7

Leaf: 3

Revision: 0

Init. Effe. Date: March 29, 2012

Superseding Rev.:

**Rates**

Rates for CFA are based upon the time required to collect the circuit path data. The company will give the customer a good faith estimate of the time period needed to perform the requested service. The customer will be billed those charges, along with the tariff charges established by any connecting carrier for the service.

Per Hour

\$ICB
