COMPETITIVE ACCESS PROVIDER SERVICES TARIFF

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.5   Payment Arrangements, (Cont'd.)

        2.5.3   Refusal and Discontinuance of Service, (Cont'd.)

                F.   (Cont'd.)

                        2.   Upon ten (10) days' written notice to the Customer of any sum thirty (30)
                                days past due;

                        3.   Upon ten (10) days' written notice to the Customer, after failure of the
                                Customer to comply with a request made by the Company for security
                                for the payment of service in accordance with Section 2.5.3.A, above; or

                        4.   Seven (7) days after sending the Customer written notice of
                                noncompliance with any provision of this rate sheet if the noncompliance
                                is not corrected within that seven (7) day period. The discontinuance of
                                service(s) by the Company pursuant to this Section does not relieve the
                                Customer of any obligation to pay the Company for charges due and
                                owing for service(s) furnished up to the time of discontinuance.

                G.   In the event the Company incurs fees or expenses, including attorney's fees, in
                        collecting, or attempting to collect, any charges owed the Company, the
                        Customer will be liable to the Company for the payment of all such fees and
                        expenses reasonably incurred.

        2.5.4   Cancellation of Application for Service

                Where, prior to cancellation by the Customer, the Company incurs any expenses in
                installing the service or in preparing to install the service that it otherwise would not have
                incurred, a charge equal to the costs the Company incurred, less net salvage, shall apply,
                but in no case shall this charge exceed the sum of the charge for the minimum period of
                services ordered, including installation charges, and all charges others levy against the
                company that would have been chargeable to the Customer had service begun.

                The special charges described will be calculated and applied on a case-by-case basis.
