SECTION 10 – PRIMEPATH SERVICE

10.1 Description

PrimePath Basic Business Line Service provides a customer with a one or more analog voice-grade telephonic communications channel that can be used to place or receive one call at a time. PrimePath Business Lines are provided for connection of customer-provided single-line terminal equipment such as station sets or facsimile machines. PrimePath Service is offered either as Business Line, Key Line or Business Trunk configuration. A One Year Term Commitment is required for customers in the NYC, Albany, Buffalo, and Syracuse areas.

Customers utilizing PrimePath Business Line Services must subscribe to a sufficient number of access lines to handle adequately the volume of traffic offered (received or originated) without interfering with any of the services offered by the Company. The number of access lines required to handle adequately such traffic will be determined by Company measurements. In the event that an inadequate number of lines cause interference, the Company shall have the right to discontinue service without prior notification to the Customer.

1) Rates:

(PrimePath Month to Month rates are only available to current PrimePath Month to Month customers in the NYC, Albany, Buffalo, and Syracuse areas as of May 6, 1999.)
