SECTION 10 – PRIMEPATH SERVICE

10.7 PrimePath Easy Rate

PrimePath Easy Rate is a business line package that includes PrimePath business lines with unlimited local usage, Touch Tone, and a set of optional features for a single monthly recurring price. PrimePath Easy Rate is limited to PrimePath analog business lines. This plan is not available on PrimePath Key Lines, PrimePath Trunks, Prime Digital Trunks, PrimeXpress, PrimePlex, PrimeConnect or any services on INCS, Integrated Access, AT&T AccuRing, AT&T UltraAvailable Ring, DEF, or any other local service offering.

Customers must meet the following eligibility criteria and adhere to the restrictions in order to qualify for and maintain PrimePath Easy Rate Service:

- 1) Customers must agree to purchase a minimum of 100 PrimePath Easy Rate lines and must sign a PrimePath Easy Rate Certification Form identifying each location and telephone number that will be subscribed to the offer.
- 2) PrimePath Easy Rate lines may all be in one location or may be distributed across multiple locations where this service is available.
- 3) A customer's PrimePath Easy Rate lines can not be ordered or provisioned at the same location (service address) as the same customer's PrimePath Standard lines, if any.
- 4) A customer's PrimePath Easy Rate charges can not be billed on the same account as the same customer's PrimePath Standard lines, if any.
- 5) Customers that commit to a term plan for PrimePath Easy Rate must maintain all lines on the plan for the duration of the term, and are subject to a minimum retention period equal to the term commitment.

Customers with existing PrimePath Standard lines may change those lines to PrimePath Easy Rate and may add or move features as long as all above listed criteria is met. The non-recurring Service Order Charges and any Feature Change Charges (associated with features included in the PrimePath Easy Rate offer) will be waived at the time of the change from PrimePath Standard lines to PrimePath Easy Rate. Future changes will result in the billing of standard non-recurring charges as listed in this tariff.

Customers are required to pay the monthly recurring charge as specified in the Price List, whether or not any or all optional features are activated. The monthly recurring line charge includes unlimited local calling, Touch tone service, and the following optional features: Caller ID (number only), Call Waiting, Call Forwarding Busy, Call Forwarding No Answer, Call Forwarding Variable, Remote Access to Call Forwarding, Three-Way Calling, Speed Calling 8, Repeat Dialing, Call Return, Calling blocking and Hunting. Features that are not included in the PrimePath Easy rate offer may be added for the additional standard monthly recurring and/or non-recurring charges as listed in this tariff.
