LOCAL EXCHANGE SERVICES TARIFF

SECTION 6 - RESIDENTIAL NETWORK SWITCHED SERVICES (CONT'D.)

6.2 Service Descriptions and Rates (Cont'd.)

6.2.4 Prepaid Local Exchange Service

A. Description

The Company provides switched, telephonic quality voice and data transmission services that enable Users to communicate on a real time basis between points within local calling areas in the State of New York, as well as ancillary services that facilitate the use or expand the capabilities of switched communications services. Services may be performed by resale of services provided by other telephone companies.

Basic service is a bundled pre-paid plan available to all residential customers residing in the Verizon exchanges of New York. The Monthly Access Fee for basic service provides a Customer with single, voice grade dial tone line, which allows unlimited local calls on a flat or measured rate basis and includes sixty (60) minutes of intra and interlata Long Distance¹ calling within the Continental United States per billing cycle. Basic Service is provided with touch-tone as a standard feature. Basic Service is available with the optional features listed in Section 6.2.4. The optional feature charges will be applied in addition to the Monthly Access Fee.

¹ Long Distance calculated at a rate of \$0.019 per minute of usage with a \$.25 surcharge for each completed call.
