LOCAL EXCHANGE SERVICES TARIFF

---

**SECTION 2 - GENERAL RULES AND REGULATIONS, (CONT'D.)**

2.13 Customer Eligibility Criteria (Cont'd.)

- G. If Budget Phone determines that usage is not consistent with typical residential customer usage, the customer, at the sole discretion of the company, may be subject to additional charges, loss of unlimited access to long distance service, or to an alternate plan.
- H. For the purpose of the Deluxe and Deluxe Unlimited plans, typical residential usage is presumed to be total usage that does not exceed 2,000 minutes of intra and interstate usage per billing cycle, per account. Budget Phone's long distance platform will automatically deny calls on accounts that have used the allowed 2,000 minutes. Customers who wish to continue unlimited access to long distance on Budget Phone's platform can purchase additional blocks of time, in the form of Budget Phone pre-paid calling cards, from an authorized Budget Phone agent.
- I. Budget Phone reserves the right to verify that the customer meets the eligibility requirements. Customers who do not or no longer meet the eligibility requirements will not be eligible for plans.
- J. Budget Phone reserves the right to exclude certain terminating telephone numbers from this plan.
