LOCAL EXCHANGE SERVICES TARIFF

SECTION 4 - REGIONAL TOLLUSAGE AND MILEAGE (CONT'D.)

4.5 Call Charges

Rates are based upon the originating and terminating region within the New York Metro LATA, time of day period (as defined in Section 4.3), and the length of call. Unless otherwise indicated in this tariff, the charge for the length of call is determined based upon an initial 60 second period, and additional increments of 6 seconds or fractions thereof.

In addition, where live or automated operator assistance is required for call completion or billing, a per call service applies.

Charges for all classes of calls may be to the calling station, to the called station when the called party agrees to accept the charges, to an authorized telephone number which is not the called station or the calling station (3rd number billing), or to an authorized calling card.

4.5.1 Usage Charges

Minimum:

Rates may be reduced selectively and in varying amounts, down to incremental cost, on one day's notice to customers and the Public Service Commission.
