Local Exchange Services
Effective Date: December 16, 2011

Section 1
Leaf No. 22
Revision: 0

SECTION 1 – GENERAL INFORMATION

1.4 APPLICATION OF TARIFF

1.4.1 Application of Tariff

This Tariff sets forth the regulations and rates applicable to services provided by TC Systems, Inc., as follows:

The furnishing of intrastate communications services by virtue of one-way and/or two-way information transmission between points within the State of New York.

Services under this Tariff may be offered and billed under the name of the Teleport Communications Group Operating Company serving the customer's location, or under the name of a subsidiary or affiliate, including but not limited to AT&T Corp. or AT&T Communications. Services may be offered singly or in bundles with services offered by Teleport Communications Group Operating Companies or their affiliates.

1.4.2 Service Territory

TC Systems, Inc. will provide service in the following local calling areas:

Business Network Switched Services - These services are available for calls originating and terminating in the 212/718 area, originating and terminating in the Nassau and Suffolk County region of the 516 area, and originating and terminating in the Lower Westchester, Upper Westchester and parts of the Rockland region of the 914 area, originating and terminating in the Albany region of the 518 area, originating and terminating in the Buffalo and Rochester regions of the 716 area, and originating and terminating in the Syracuse region of the 315 area.

1.4.3 Availability

Service is available where facilities permit.
