8.1.7 Reports regarding the percentages of intraMTA or interMTA traffic (and the intrastate or interstate jurisdiction of interMTA traffic) shall be based on a reasonable traffic study conducted by the CMRS providers and available to the Company upon request. Such studies shall be conducted no less frequently than once each quarter to ensure that the CMRS provider is using an accurate intraMTA/interMTA percentage. The CMRS provider shall pay the Company for all charges in accordance with the rates set forth in this tariff. Such payments are to be received within thirty (30) days from the effective date of the billing statement. The CMRS provider shall pay a late charge on any undisputed charges which are not paid within the thirty (30) day period. The rate of the late charge shall be the lesser of 1.5% per month or the maximum amount allowed by law. The CMRS provider shall pay the Company the reasonable amount of the Company's expenses related to collection of overdue bills, such amounts to include reasonable attorney fees. The CMRS provider will be responsible for the accuracy and quality of its data as submitted to the Company. Upon reasonable written notice, the Company or its authorized representative shall have the right to conduct a review and verification of the CMRS provider to give assurances of compliance with the provisions of this tariff. This includes on-site verification reviews at the CMRS provider's or vendor locations. The review may consist of an examination and verification of data involving records, systems, procedures and other information related to the traffic originated by the CMRS provider and terminated to the Company. The CMRS provider will provide the Company with reasonable access to such information as is necessary to determine amounts payable under this tariff.

8.1.8 If the CMRS provider fails to comply with any of the terms and conditions of this tariff, including any payments to be made by it on the dates and times herein specified, the Company, may on five (5) day's written notice by Certified U .S. Mail to the CMRS provider, refuse additional applications for service and/or refuse to complete any pending orders for service by the non-complying CMRS provider at any time thereafter, or may discontinue the provision of the services to the non-complying CMRS provider at any time thereafter. In the case of such discontinuance, all applicable tariff charges shall become due. If the Company is unable to effectuate discontinuance of service at its own office it may request the assistance of other LECs with whom the Company's network is connected.
