GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER J - BUSINESS INCENTIVE RATE - Continued

(A) Applicability – Continued

(2) Scope of Program - Continued

- (b) Beginning April 1, 2001, an additional 210 megawatts will be made available to Customers commencing service under this Rider. The additional 210 megawatts will be allocated as follows:
- i. Service to attraction and retention Customers will not exceed 160 megawatts in the aggregate of which 140 megawatts will be available in only New York City and 20 megawatts will be available in only Westchester County.
 - ii. For allocations of power under this Rider pursuant to contracts negotiated by governmental economic development agencies with attraction and retention Customers utilizing power made available under section (A)(2)(b) where the Customer initiates service under this Rider on or after April 1, 2001, (1) service to attraction and retention customers will be made available for an initial term of service of no less than three years and no more than ten years at the percentage reduction specified in section (B)(1)(a), and (2) service under this Rider will terminate after the initial term or the initial term will be followed by a phase-out period of three to five years as specified in section (B)(1)(b). The period of the initial term and the phase-out period, if any, will be specified in the contract.
 - iii. Service to all other Customers under this Rider will not exceed 50 megawatts in the aggregate of which 8 megawatts will be made available to Biomedical Research Customers as specified in section (A)(1)(c). Allocations of this additional power will be available only after the power available under section (A)(2)(a)(iv) has been fully allocated, except that allocations to Biomedical Research Customers will be available commencing April 1, 2001. Rate reductions provided to Customers under this subsection will be provided for a period of fifteen years, with an initial ten-year term of service at the percentage reduction specified in section (B)(2)(a), followed by a phase-out period of five years at which the percentage reduction specified in section (B)(2)(a) will be reduced one-sixth each year so that the rate reductions shall be phased out completely after the Customer's fifteenth year of Rider J service.
