## GENERAL RULES

### 24. Service Classification Riders (Available on Request) – Continued

#### RIDER Y

#### RATES AND CHARGES FOR CUSTOMERS REQUESTING HIGH LOAD-DENSITY SERVICE

Applicable to SC 9  
(Subject to the provisions thereof)

##### A. Applicability:

To new and existing Customers receiving service under SC 9 of this Rate Schedule, to Customers served under the PASNY Rate Schedule who would otherwise receive service under SC 9, and to Customers served under the EDDS Rate Schedule, where the requested load density, in the portion of the premises for which the Customer's application for service is made under this Rider, exceeds the higher of the Standard Load Density for the type of premises for which service is requested or the load density that the Company, after consultation with the Customer, concludes is required for safe and adequate service.

1. Application for Service: An owner or occupant of a building or premises desiring to take service under this Rider shall submit an expression of interest, including details of projected connected load, in writing to the Company. Upon agreement on the contract demand, schedule for actual demand to be achieved, and form of security acceptable to the Company, the Company and the Customer shall execute a Service Agreement Under Rider Y ("Service Agreement") as set forth in the Application Form F in the General Rules.
2. Premises: This Rider is applicable to service to new buildings and premises as well as to increased service to existing buildings and premises where such service is requested on or after May 1, 2002.
3. Restrictions as to Other Tariff Provisions: Applicants and Customers eligible for service under this Rider shall not be eligible to receive service under Excess Distribution Facilities provisions pursuant to General Rule 5.2.4 of this Rate Schedule or under Rider J.
