Verizon New York Inc.

Section 4
Original Page 1NETWORK ELEMENTS4. General Regulations4.1 Undertaking of the Telephone Company4.1.1 Scope

- (A) The Telephone Company shall, where facilities permit, provide:
- (i) Termination of IntraLATA calls from end users of TC-provided local exchange services to the subscribers of the Telephone Company or end users of other TCs, or termination where both the originating TC and the terminating TC interconnect to the Telephone Company at a Telephone Company Tandem, or termination where the originating TC local exchange service end user is assigned a telephone number residing within a TC NXX code or a Telephone Company NXX code where the TC has purchased unbundled switching from the Telephone Company and the Telephone Company's or other TC's local exchange service subscriber is assigned a telephone number residing within a Telephone Company NXX code or that TC's NXX code, and where both exchange services bear NPA-NXX designations corresponding to the same LATA; and
 - (ii) Payment for termination of local calls to NXXs served on the network of a TC on a reciprocal basis for the termination of local calls originating on the network of a TC to NXXs served on the network of the Telephone Company.

4.1.2 Limitations

- (A) A TC, its customer, joint user, or authorized user may not assign, or transfer the service without the written consent of the Telephone Company. The Telephone Company will permit a TC to transfer its existing service to another TC if the existing TC has paid all charges owed to the Telephone Company. When physical or software network changes are involved, such a transfer will be treated as a disconnection of existing service and installation of new service, and nonrecurring service order, installation charges set forth in this section will apply.
- (B) Subject to availability of facilities, the services offered herein will be provided to TCs on a first-come, first-served basis.
- (C) Automatic Number Identification (ANI) information and its SS7 equivalent relating to a telephone subscriber, where available under any provision of this section or under reciprocal arrangements under which a TC completes traffic originated from a Telephone Company end user, is provided to the TC or its customer (ANI recipient) under the following terms and conditions:
- (1) The ANI recipient or its designated billing agent may use or transmit ANI information to third parties for billing and collection, routing, screening, ensuring network performance, and completion of a telephone subscriber's call or transaction, or for performing a service directly related to the telephone subscriber's original call or transaction.
