## LOCAL EXCHANGE SERVICES

---

### SECTION 7 – NETWORK SWITCHED SERVICES

#### 7.2 Service Descriptions, (Cont'd.)

##### 7.2.6 Bundled Residential Product Offerings

###### A. Product Descriptions

PACKAGE 1 - Unlimited local and limited long distance service (200 free minutes of use per month). Charges will apply on long distance usage in excess of 200 minutes of use. Note: For long distance usage in excess of 200 minutes, calls are billed in full single minute increments.

PACKAGE 2 - Unlimited local and unlimited long distance.

DSL OPTION - The customer can combine Package 1 or Package 2 with Digital Subscriber Line (DSL) service. Under either plan, DSL service will be provided to the customer at speeds of up to one megabyte per second (mbps). Additional recurring and non-recurring charges as set forth in Sections 12.12 and 13.11 will apply for the DSL feature.

###### B. Terms and Conditions

1. All voice lines will include following features: Call Waiting, Caller ID, Call Waiting with Caller ID, Speed Dial 30, Call Forward Variable, Call Forward Remote Access, and voicemail where available.
2. All applicable charges (recurring, usage sensitive, and non-recurring) are set forth in Sections 12.12 and 13.11.
3. The Bundled Residential Product Offerings are not intended to be used for long duration Internet and data transmissions unless the customer combines the DSL option with their selected package. If monthly usage exceeds 5,000 minutes of use on a per line basis, the Company will require that the customer either move their service to a different product, pay an additional per line service charge, or have their service terminated.
