ACCESS SERVICE

3. CARRIER COMMON LINE ACCESS SERVICE (Cont'd)3.4 Obligations of the Customer (Cont'd)

- (H) When the customer orders Switched Access Service as set forth in (F) preceding, the Telephone Company may request a certified copy of the customer's usage billing. For MTS and WATS service, the usage may be requested from either the customer or the provider of the service. For MTS-type and WATS-type service, the usage will be requested from the customer. The requests for this billing information will relate back no more than 12 months prior to the current billing period.
- (I) Where Operator Trunk-Coin or Combined Coin and Non Coin or Operator Trunk-Full Feature Optional Features for sent-paid pay telephone access is provided to the IC and the IC wishes to receive the monies it is due for the monies collected by the Telephone Company from coin pay telephone stations, the IC shall furnish to the Telephone Company, at a location specified by the Telephone Company, the IC message call detail for the IC sent-paid (coin) pay telephone calls in accordance with the Telephone Company collection schedule. The IC message call detail furnished shall be in a standard format established by the Telephone Company. If no IC message call detail is received from the IC for each bill period established by the Telephone Company, the Telephone Company will assume there were no IC sent-paid (coin) pay telephone calls for the period. In addition the IC shall furnish a schedule of its charges for sent-paid (coin) calls to the Telephone Company at a location and date as specified by the Telephone Company. Any change in the IC's schedule of charges shall be furnished to the Telephone Company one day after the change becomes effective.
