ACCESS SERVICE

3. CARRIER COMMON LINE ACCESS SERVICE (Cont'd)3.4 Obligations of the Customer (Cont'd)3.4.1 Resale Documentation

As set forth in 3.4(F) and (G) preceding, the customer shall supply specific documentation in connection with the provision of combined access. Such documentation shall be supplied each month and shall identify the involved resold MTS, MTS-type, interLATA and/or intraLATA WATS, WATS-type services and Telephone Company-provided Private Line Services. The monthly period used to determine the minutes of use per resold service shall be the most recent monthly period for which the customer has received a bill for such resold services. The customer furnished information shall show the bill date for the resold services. The customer shall also specify the number of resold WATS and/or WATS-type services to be associated with each combined access group. If this number is not reported, the Telephone Company will assume that all identified resold WATS and/or WATS-type services are to be associated with the line side combined access group. This information shall be delivered to the Telephone Company, at a location specified by the Telephone Company, no later than 15 days after the bill date shown on the resold service bill. If the required information is not received by the Telephone Company, the previously reported information as described in 3.4(F) and (G) preceding will be used for the next two months. For any subsequent month no allocation or credit will be made until the required documentation is delivered to the Telephone Company by the customer.

3.5 Carrier Common Line Access Service Exemptions3.5.1 Common Channel Signaling Access Exemption

The Common Channel Signaling Access Signal Transfer Point (STP) Link Termination and STP Port, as set forth in Section 6 following, are not subject to a Carrier Common Line charge.
