ACCESS SERVICE

2. GENERAL REGULATIONS (Cont'd)2.4 Payment Arrangements and Credit Allowances (Cont'd)2.4.1 Payments of Rates, Charges and Deposits (Cont'd)

- (C) Adjustments for the quantities of services established or discontinued in any billing period beyond the minimum period set forth for services in other sections of this tariff will be prorated to the number of days or major fraction of days based on a 30 day month. The Telephone Company will, upon request and if available, furnish such detailed information as may reasonably be required for verification of any bill.
- (D) When a rate as set forth in this tariff is shown to more than two decimal places, the charges will be determined using the rate shown. The resulting amount will then be rounded to the nearest penny (i.e., rounded to two decimal places).
- (E) When more than one copy of an customer bill for services provided under the provisions of this tariff is furnished to the customer, an additional charge applies for each additional copy of the bill as set forth in 30.13.8 following.
- (F) Until Telephone Company Time of Day measurement capabilities are available, credit adjustments will be computed by apportioning the total intrastate usage associated with the honored claim into day, evening and night periods using the Time of Day distribution applicable to the customer. The usage is then multiplied by the appropriate day, evening and night rates.

Issued: August 1, 2001

Effective: September 1, 2001
