SECTION 2 - GENERAL REGULATIONS (CONT'D.)

2.5 Customer Notification and Coordination (Cont'd.)

2.5.1 Changes and Substitutions (Cont'd.)

- B. In the case of any such situation, change or rearrangement, the transmission parameters will be within the range specified for the individual services involved. The Company shall not be responsible if any such substitution, change or rearrangement renders any Customer furnished services obsolete or requires modification or alteration thereof or otherwise affects their use or performance. If such substitution, change or rearrangement materially affects the operating characteristics of the facility, the customer will be given adequate notice in writing. Reasonable time will be allowed for any design and implementation required by the change in operating characteristics. The Company will work cooperatively with the customer to determine reasonable notification requirements.
