NETWORK INTERCONNECTION SERVICES TARIFF

SECTION 1 - TARIFF INFORMATION AND GENERAL REGULATIONS (CONT'D.)

1.6 Responsibility of the Telephone Company (Cont'd.)

1.6.3 Automatic Number Identification (ANI)

- A. ANI information relating to a telephone subscriber, where available under any provision of this tariff or under reciprocal arrangements under which a LEC completes traffic originated from a Telephone Company end user, is provided to the LEC or its customer (ANI recipient) under the following terms and conditions.
1. The ANI recipient or its designated billing agent may use or transmit ANI information to third parties for billing and collection, routing, screening, ensuring network performance, and completion of a telephone subscriber's call or transaction, or for performing a service directly related to the telephone subscriber's original call or transaction.
 2. The ANI recipient or its designated billing agent is prohibited from utilizing ANI information to establish marketing lists or to conduct outgoing marketing calls, unless the ANI recipient obtains the prior written consent of the telephone subscriber permitting the use of ANI information for such purposes. The foregoing provisions notwithstanding, no ANI recipient or its designated billing agent may utilize ANI information if prohibited elsewhere by law.
 3. The ANI recipient or its designated billing agent is prohibited from reselling, or otherwise disclosing ANI information to any other third party for any use other than those specified herein, unless the ANI recipient obtains the prior written consent of the subscriber permitting such resale or disclosure.
 4. Telephone corporations and the LECs must make reasonable efforts to adopt and apply procedures designed to provide reasonable safeguards against the abuse of ANI consistent with tariff requirements.
